7. Friends of the Fleet

Offered by Youth Sailing Foundation

\$7500 – Purchase and name a new C-420 racing sloop

\$2,000 – Sponsor and name a refurbished Mariner 19' day sailor

At present all of YSF's 2-man racing boats are 10 years or older, and we need to start renewing the fleet as our sailors compete at the highest scholastic level in Florida. Your donation will purchase a new C-420 for our Varsity racing program. The C-420's are the 'Ferraris' on the race course and were sailed at the Rio Olympics.

We also have three beautifully restored Mariner 19's ready for naming. These boats are day sailors used for seamanship training and adult instruction. You may christen the boat and meet its crew at our fall commissioning ceremony.
